128 "tuesday talks": yevgeniy ivanov re 37th session of
 cema last month, reviewing coop between mbr countries, their relations
 based on equal partnership, mutual respect, and friendly assistance,
 pointing out ussr is main trading partner of other countries,
 particularly in provision of crude oil and petroleum products
 at below world prices, mentioning that 37th session underlined
 that relations are dynamically developing, with many intl
 projects as well as national, citing siberia-west europe gas
 pipeline, among others, to illustrate that socialist countries
 can cope with boldest undertakings, touching on u.s. failure
 to undermine pipeline construction. (7 min: enguk 2000)

129 alexander nikolayev on 39th anniversary of albanian
 liberation day -- outlines albanian national lib struggle,
 establishment of people's power, and soviet support such as its
 support for albania's acceptance into un etc: also refers to
 hostile stand and blockade of anglo-americans against albania,
 mentioning also documents which were released about u.s. secret
 service cooperation with albanian emigrees such as midhat frasheri,
 hasan docli etc, who formed various committees and sent various
 armed bands into albania. also mentions u.s. pres reports which
 express "preoccupation" with albania's future. concludes by
 stating that soviet union has always carried out relations with
 albanian on basis of equality, respect of sovereignty, and mutual

cooperation, and that it "will continue to pursue this line also
 in the future. (6 min, poor: albanian 1530)
